## CHAPTER 2 | GROUP DISCUSSION QUESTIONS

### WATCH:

- Watch this week's Group video on Chapter 2 at [www.quest52.com/videos](http://www.quest52.com/videos).

### INTRO QUESTIONS:

- What encouraged or challenged you from the sermon and/or the daily exercises this week?
- On a scale of 1-5, how random would you have said life was before this week's essay and why?
- Has your opinion changed at all after this week's reading?

### KEY PASSAGES:

- Skim through **Matthew 1:1-17** - which name(s) stand out to you the most and why?
- **Hebrews 11:1-2** - Do you believe this would be said of you 100 years from now? Why or why not?
- **Acts 17:26-27** - What does that verse tell you about the lengths God is willing to go as far as orchestrating life so people can find Him?

### GROUP DISCUSSION:

- How many different people did God put in your life so that you could find faith in Jesus?
- How do you reconcile God's sovereign plan with the free will of mankind? How do the two work together?
- What did you take away from the fact that this First Century genealogy intentionally included women?
- How did you answer the question on page 14 about what resources or skills you would need to develop for God to maximize your contribution to the story of salvation?

### WEEKLY APPLICATION:

- On page 14, we were challenged to do one thing to develop a resource or skill you would need. What did you do, and how is it going?
- Depending on when your group meets, you might not have reached the Hands section yet for the daily exercises of Chapter 2. If that is the case, reflect back on the following question from last week's Weekly Application. On page 8, we were challenged to practice incarnation by planning a totally screen-free evening with our families. Who did this, and how was it?
